MAMTA MODERN SR. SEC. SCHOOL

NEW ACADEMIC SESSION -2026-27

Circular No: MMS/2026-27/005 **Date: 30-03-2026**

Dear Parents,

Congratulations on embarking on this new journey with Mamta Modern School. We are thrilled to welcome you and your child into our school community. As your child's formal education commences, we recognize the excitement and apprehension that come with this milestone, and we are committed to supporting you every step of the way.

The classes for Balvatika 1 will commence on **April 1st (Wednesday)**, and to ensure a smooth transition for our young students, school hours will be **from 8:30 am to 10:30 am** on the first day. We kindly request parents to accompany their children during this time to provide comfort and assistance as needed.

To ensure your waiting time in school is utilised to the fullest, we will be organizing a counselling session on Positive Parenting conducted by a renowned counsellor Ms. Vandana Tandon. This session aims to provide valuable insights and guidance to help the excited parents and teachers of our students.

We deeply value your cooperation and involvement in our school community, and together, we can empower our children to embark on a successful learning journey.

Warm regards,

Principal
