"Education is the most powerful weapon which you can use to change the world."

Dear Parents,

Warm greetings from the Mamta Modern Family!

As we conclude an enriching academic session, we take immense pride in reflecting upon a year filled with achievements and memorable milestones. This remarkable journey stands as a testament to the commitment, collaboration, and accomplishments of our entire school community. We look forward to continuing this celebration through meaningful initiatives in the coming year.

With renewed enthusiasm and a forward-looking approach, we now step into the new academic session with greater aspirations. As we begin this fresh journey of learning and growth, it is essential to do so with the right mindset and discipline.

We sincerely seek your cooperation in ensuring a smooth and productive academic year.

To maintain discipline and uphold school decorum, all students are required to adhere to the following guidelines:

1. Students must strictly follow the school timings (7:50 a.m. to 2:00 p.m.). Late arrivals may result in students being sent back home after due warning.
2. Wearing the prescribed school uniform is mandatory. House uniforms should be worn on Tuesdays and Thursdays.
3. Carrying valuable items to school is strictly prohibited. Any such items found will be confiscated and returned only to parents upon submission of an undertaking.
4. Parents visiting the school to pick up their ward must carry the Parent ID card issued by the school.
5. Students must carry their ID cards daily. Until new ID cards are issued, those from the previous session may be used.
6. The Health Performa provided in the school almanac must be duly filled and signed by parents.
7. The school almanac must be brought every day. All communication between parents and teachers will be conducted through it. Parents are requested to check and acknowledge remarks and circulars regularly.

8. During Parent-Teacher Meetings, students accompanying their parents must be dressed in proper school uniform.
9. A fruit break will be observed daily after the second period. Parents are requested to avoid sending junk food; however, a healthy snack may be provided.
10. Cycle tests will be conducted strictly as per the schedule. Students arriving after 10:00 a.m. on test days will not be permitted to appear for the test.
11. Parents/guardians are requested to avoid visiting the school to deliver forgotten items such as tiffin boxes, books, or other belongings.
12. We deeply appreciate the continued support and cooperation of all parents and look forward to strengthening our partnership in the future.

"Together, let us nurture our children by giving them roots to grow and wings to soar."

Regards
Principal
