

MAMTA MODERN SR. SEC SCHOOL
PLANNER FOR THE MONTH OF JULY'17
PREP

Circular No. : MMS/2017-2018/20

Date: 6th July'2017

"A teacher takes a hand, opens a mind, touches a heart, shapes the future"

The MMS fraternity with arms wide open extend cuddly hug to our tiny tots after summer break and hope they are full of vigour, refreshed and are ready to shine and sparkle.

In the month of April the kids learnt the concept of shapes and colours and in this month we will teach young minds to begin a dialogue with their body because good communication will enable the child to have a positive and a strong self image. Children will be encouraged to use their 5 senses to explore the world around them as from the moment the children wake up in the morning all their sense organs are observing and absorbing everything they see, hear, touch, smell and feel around them. All this will be taught through varied activities like – 'Complete the body' and English Rhyme Recitation on 'Sense Organs'. In this month children will further learn about various family members and their importance in life. Children will be made to realize the essential moral values like respect, bonding, love, care and compassion they inherit from family.
