Date: 01-11-2017

LET NO ENDANGERED BE EXTINCT

Dear Parents,

We the Mamta Modern family believe that the earth is big and we need to share it. It is our endeavour to create awareness towards young children of their roles and responsibility to save endangered animals. After being associated with the British Council we are looking at the problem globally. The following activities are designed to sensitize the children to value the lives of every animal and appreciate the diversity of life on the earth.

Activity no 1: Brochure Making - Class III – 03-11-2017

Activity no 2: Social Assembly - Class IV - 07-11-2017

Parents are requested to lend their support & cooperation by the way of encouraging their child to participate in it.
