

REPORT ON COMONOMICS WEEK

Mamta Modern School, conducted a number of interesting activities during Comonomics Week for the Commerce and Humanities students of class XI and XII. Comonomics Week started on 26 July 2017 and lasted on 31 July. During the week, many interesting activities were organized which covered many essential topics such as GST, Demonetization and Elections. The activities included paper presentation and declamation on GST and Election Mania. Through these activities, students were made aware of the concepts of GST and demonetization and they came to know about their pros and cons.

Through the activity of election mania, the students showcased their qualities of leadership and honed their oratory skills.

The closing ceremony took place on 31 July which covered innovative song and dance performances, a very interesting skit which made us understand the steps taken by the government to reform the economic sector. Last, but not the least, the prize distribution was held and the students were awarded for their active participation in various activities.

After the prize distribution, our respected Manager, Mr. Manoj Sharma and Principal, Ms. Pallavi Sharma interacted with the students and encouraged them to participate in these activities with more vigour and enthusiasm. In the end the vote of thanks was given and the Comonomics Week ended as a great success.
