

IF ANIMALS COULD SPEAK MANKIND WOULD WEEP

To create the awareness among the students about the animals which are being extinct day to day an inter-class activity of class V was organized by the school. The aim of the activity was to inculcate the value of "BE KIND TO ALL KINDS". The student enacted the story based on endangered species like Tigers, Sparrow, Cheetah, Red Wolf, Red eyed Frog, Parrot, Butterfly, Turtle etc. of USA, Africa and India in the school auditorium. The activity was appreciated by all including the respected judges, Principal and other teachers. Students also presented the book mark of animals mask to the judges and teachers presents there. It was a close competition hence class V B and V D bagged the first prize and class V A and V C bagged the second prize.
