VAN SAFETY CIRCULAR

Dear Parent,

The school has always been concerned about the safety of it's children. Yet another thought in the same line compels us to request you to ensure the authenticity of the Van Drivers with whom your child travels to school everyday.

1. Please get the Police Verification done for the driver and ensure that it is renewed regularly.
2. Please ensure that van driver drops the students according to the school timings (7:55 a.m.) and is not late.
3. Please note that the van driver is not late to pick your child from the school in the afternoon as children are susceptible to injury when they are left to play on their own beyond the school hours.
4. Please ensure that the van drivers do not keep your children unattended in the van at any time after picking them from the school.
5. Please check the driver whenever he does rash driving.
6. Please ensure that you have the van drivers updated number and details with you.
7. Parents are requested to hand over the pick card to the van drivers. So that the students can be handed over to bearer of pick card accordingly. Please note that

Safety of our children is our priority and collective responsibility.

Regards

Principal
