

MAMTA MODERN SR. SEC SCHOOL
PLANNER FOR THE MONTH OF OCTOBER'17
PREP

Circular No: MMS/2017-18/43

Last month had been full of excitement and pleasure for kids as they learnt a lot while preparing for their annual function. I assure you could see the hard work they put in. We would like to 'Thank you' for taking off time from your busy schedule and encouraging our kids with your gracious presence in our annual celebration 'Rhapsody'.

After a fun filled Annual Day celebration the children will learn that 'Health is Wealth' this month.

The kids will be taught about food and its importance in our lives. Kids will learn about the benefits of healthy food and the drawbacks of junk food.

To teach children the significance of healthy food to lead a healthy life, a Fancy Dress Competition based on 'Healthy food' will be organised and they will make sandwiches with their teacher.
