

MAMTA MODERN SR SC SCHOOL
PLANNER FOR THE MONTH OF OCTOBER
NURSERY

CIRCULAR NO. MMS/2017-2018/42

If wealth is lost, something is lost

But if health is lost, everything is lost

To instill good eating habits among children the topic food our lifeline will be taught in the month of October. Good health and wellness is the integral part of a student's life. So through various class room activities and competitions children will learn to fight off addiction to junk food . Endeavours will be made to teach the children new skills In preparing and choosing food. Activities like sandwich making and tearing pasting will make the children learn the importance of a balanced diet. We extend a big thank you to the parents for sparing their valuable time and attending the Annual Function Rhapsody .The tiny tots gave a mesmerizing performance and it was possible only with your support and encouragement .
