Circular No: MMS/2019-20/003

Date: 01 April 2019

Dear Parent,

Time and again through our circulars, we have been requesting you to check the antecedents of van drivers, who are ferrying your children every day. Recent incidences have forced us to ponder again and review the transport arrangement for our children.

Please take note of the following points while arranging private transport for your ward:

1. Get the police verification done of the driver and ensure that he gets it renewed regularly.
2. Give letter to the school with van driver's details (police verification certificate, driving license and van number).
3. Ensure that the van driver adheres to school timing and is not late in morning or evening.
4. Ensure that students are dropped to the school only after 7:45 am and picked by 2:00 pm. The school staff is on duty for safety of students in this time period. Please note that the school gates will open only after 7:45 am.
5. Check the van driver, if he is late in picking your children from the school in afternoon as children are susceptible to injury when they are left to their own beyond school hours. Vans should leave by 2:00 pm without fail.
6. Check with your children the behavior and language used by the van driver and check him, if you find it objectionable as your child may learn bad habits from him.
7. Check the driver for rash driving.
8. Volunteer to travel in private vans engaged for your children to monitor the conduct of the driver and report/prevent any untoward incident.
9. Encourage carpools instead of vans in the interest of your children.

As the school has no control over van drivers, you will have to be extra vigilant while engaging them for transportation of your children.

Safety of our children is our priority and collective responsibility.

Principal
