

ENGLISH

A lush green field with crops ready for harvest is every farmer's pride. A period of dry spell or showers might crash their dreams. In 1953 the noted film maker Bimal Roy depicted the woes of the Indian farmers in 'Do Bhiga Zameen'. Write a film review in about 250-350 words on A4 size sheet exploring the conditions of the farmers in the past and the present.

OR

Read any novel of your choice and make a book cover and write the review too. Make it as creative as possible using A4 size sheet and relevant pictures.

Also revise syllabus for Unit Test.
