"History will judge us by the difference we make
in the every days lives of the children."

Dear Parents,

Heartfelt congratulations for another milestone in your ward's life. It is with immense pleasure that we extend a hearty welcome to our blooming buds to the next session. Our school has progressed by leaps and bounds since its inception and the last session has been eventful. We were rewarded with rich fruits for the efforts that we put into it. This year was another triumphant year as we were conferred with the 'Best School Award' by Education Today under the 'Value for Money' Category and adding another feather to it was the 'International School Award' by the British Council for our exemplary work. We were also declared as the 'Best School of the Zone' amongst 200 schools of Delhi. We have always striven and will continue to do so in our efforts to thrive every year. We seek your support and cooperation in our endeavours to impart values along with education to our children. For a joyful beginning, you are requested to adhere to the following guidelines:
