

WATER IS PRECIOUS... SAVE WATER BEFORE ITS TOO LATE
AQUA JAMBOREE: A STUDENT MOVEMENT FOR WATER CONSERVATION

'जल है तो जीवन है'

Aqua Jamboree is a movement that aims to engage and empower youth through recurring activities geared towards building a sustainable future. In the coming years, climatic changes and growing population are going to increase the pressure on our water resources. So the need arises for water conservation and to create awareness on this, our school has laid special emphasis on this issue. The theme of **Science & Maths Week of 2019** is **"AQUA JAMBOREE"** which will take place from **29th July to 2nd August 2019**. Students will be provided with a platform where they'll learn through observation and share their own inputs. We solicit your cooperation and help in receiving maximum participation from our future budding scientists and mathematicians.

Class	Date	Activity Name	Class	Date	Activity Name
I	29-07-19	Maths – Rangoli Making with the help of shapes	VI	29-07-19	Maths-Mathematical Tambola
	30-07-19	Sci- Self composed Ad Mad Show		01-08-19	Sci-Sounds of Science- Science Experiments
II	30-07-19	Maths -Scenery with the help of shapes using waste material	VII	30-07-19	Maths-Maths Puzzle
	31-07-19	Sci- Show & Tell competition on gadgets of the country.		31-07-19	Sci-Expt based on Kitchen Chemistry
III	30-07-19	Maths-Tangram	VIII	30-07-19	Sci-Model designing of various Organ System in Humans
	02-08-19	Sci-Enactment on Modern means of communication		31-07-19	Maths-Maths Puzzle
IV	01-08-19	Sci – Be a Little Scientist	IX	29-07-19	Sci-Design an Eco-friendly products
				01-08-19	Maths–Mathematical Riddles Activity
	02-08-19	Maths - Mathematical Tambola	X	29-07-19	Sci-Rapid Fire Round 'Consequences of Incineration and Nuclear Waste'.
				31-07-19	Maths–Mind Maths
V	30-07-19	Sci-Presentation of Model	XI	29-07-19	Maths-Formula Skill Enhancement Test
	01-08-19	Maths-Mathematical Newspaper		01-08-19	Sci-Scientific Hip Hop (Topic-Water)
