Circular No: - MMS/2019-20/32

Dated: - 05-08-2019

Dear Parents,

The National Deworming Day is observed every year with the main objective to combat parasitic worm infections among preschool and school age children across India.

For the purpose, our school has been provided with Deworming Tablets (Albendazole- 400mg, chewable tablets) from the Health Services of Delhi Govt. which are to be given to the students on 8 Aug, 2019. You are requested to give your consent for the same by tomorrow.

I agree that my child can be given the Deworming Tablet issued by Health Services of Delhi Govt.

I do not agree that my child be given the Deworming Tablet issued by Health Services of Delhi Govt. I would be Deworming my child myself.

Regards

Principal
