*“Languages connects us, breaks down barriers when we unite to nurture the best in us and help each other succeed.”*

**Widad Akreyi**

**Dear Parents**

*The present day world is evolving at a rapid pace and language is the vehicle that will help us transcend borders; a heritage that needs to be preserved for cultural diversity and intercultural dialogue. The school is celebrating the “Language Week 2021 “ from 14 June - 18 June 2021. The Language week celebrations intend to promote linguistic and cultural diversity and to help the students reflect on the importance of languages as a means of developing cooperation , love and understanding for not only one’s culture but that of other cultures too.*

*We hope that the plethora of activities planned out for the week will help the students unleash their creative side and create in them love for the languages.*

*Hoping for an enthusiastic response!*

**Regards**
