Dear Parents

*Greetings for the day!*

**Mamta Modern School welcomes you to the New Academic Session 2021-22**

We have always aimed at striving for excellence. We commence this session with a positive note of thanks giving to the almighty who has been kind enough to shower his blessings on all of us to sail smoothly through these turbulent and uncertain times in the past session. Though it had been strenuous but it has taught us innovative ways to adapt to the volatile atmosphere that we had witnessed in the year gone by. It has taught us that life is uncertain but meaningful .We sincerely hope that you all are safe and healthy.

Our teachers made themselves equipped for virtual schooling and left no stone unturned to ensure our students do not compromise on their academics and stay connected at all times thus making the maximal use of technology. Technology had come in as a saviour in times of the pandemic and our teachers welcomed the New Normal with open arms to ensure the undeterred progress of our students. We organised a plethora of webinars, virtual visits, workshops , bookfairs, visits and a host of activities, to make their learning fruitful and long lasting.

We wish to extend our heartfelt thanks to the parents for standing as pillars of strength for their children who were going through these unprecedented times and needed strong guidance and support. School alone is not competent enough to fulfil this goal but along with you, dear parents and with God everything is possible. Let's work hard and walk hand in hand to bring out the best in our children.

*Looking forward to your cooperation in all our endeavours.*

The rising Covid19 cases has made it imperative to commence the academic session online on MS Teams once again. So, with the same enthusiasm and zeal we step into the Academic Session 2021-22 that begins online from 5th April 2021.

Regards

Principal
