Circular No. MMS/2021-22/10

Dated: 25 July 2021

Dear Parents

Tigers are on the brink of extinction and International World Tiger Day aims to bring attention to this fact and try to halt their decline. Many factors have caused their numbers to fall, including habitat loss, climate change, hunting and poaching and Tiger Day aims to protect and expand their habitats and raise awareness of the need for conservation.

World Tiger Day is celebrated every year on July 29th as a way to raise awareness about this magnificent but endangered big cat. The day was founded in 2010.

To highlight the need to save the tiger Mamta Modern Sr. Sec. School is trying to aware the tinytots with the help of activities.
